

To strengthen our teams, we are looking for:

Aluminium locksmith Assemblers (m/f)

Working in the workshop, you will be responsible for manufacturing aluminium locksmithing products.

Your missions:

- Manufacture of aluminium frames (windows, doors, sliding doors, curtain walls, conservatories, glass roofs)
- Cutting and machining profiles
- Frame assembly of all types (frames, sashes, etc.)
- Fitting hardware systems, glazing beads, seals, additional profiles, etc.
- Installation of all elements adjoining the frames (monobloc boxes, runners, sheet metal, railings, insulated sills, etc.)
- Installation of waterproofing systems in the workshop (EPDM, SIGA, etc.)
- Handling with overhead travelling crane, pallet truck, trolleys, Fenwick (CACES licence if possible)

Your Profile:

- Experience of 5 years or more in a similar position
- Knowledge of the REYNAERS and SCHÜCO ranges is an advantage
- Knowledge of frame assembly and fitting techniques
- Knowledge of standard hardware systems
- Use of stationary machines (milling cutter, punching machine, table saw, etc.)
- Use of electro-portable and compressed air-powered machines (saws, screwdrivers, etc.)
- Reading plans
- Good knowledge of Outlook and Adobe Acrobat
- Compliance with safety rules and standards in force
- Clean and tidy work
- Autonomous, motivated and organised
- Sociable and team player
- Language requirements: French, German is a plus
- Driving licence required

We offer:

- ♦ A full-time permanent contract (40 hours/week)
- ♦ Training in our methods and organisation
- ♦ A fixed salary
- ♦ Attractive working conditions
- ♦ A varied job in a young, dynamic team

If this sounds like you, please send your application with CV and covering letter to jobs@koch.lu.
