

To strengthen our teams, we are looking for:

## Aluminium and steel sheet metal locksmith (m/f)

As an expert in the workshop, you will be responsible for manufacturing sheet metal products.

### Your missions:

- Manufacture all types of aluminium sheet metal work (finishes, shelves, boxes, wall coverings, cladding cassettes, embrasures, cladding sheet metal, etc.).
- Cutting, punching, manual cutting, edging and bending
- Possibility of also working on sheet metal in black, galvanised and stainless steel
- Welding various parts using different processes (semi-automatic, TIG, electric arc)
- Handling with overhead travelling crane, pallet truck, trolleys, Fenwick (CACES licence if possible)

### Your Profile:

- Experience of 10 years or more in a similar position
- Knowledge of different types of materials and alloys
- Knowledge of bending and welding techniques (Operating Procedures Qualification required, to be renewed)
- Use of numerically controlled and manual machines (guillotine shears, folding machines, pillar drills, etc.)
- Use of electro-portable and compressed-air machines (such as saws, angle grinders, jig saws, screwdrivers, etc.)
- Reading plans and 3D sketches
- Good knowledge of Outlook, Word, Excel and Adobe Acrobat
- Compliance with safety rules and standards in force
- Clean and tidy work
- Autonomous, motivated and organised
- Social skills and team player
- Language requirements: French, German a plus
- Driving licence required

### We offer:

- ♦ A full-time permanent contract (40 hours/week)
- ♦ Training in our methods and organisation
- ♦ A fixed salary
- ♦ Attractive working conditions
- ♦ A varied job in a young, dynamic team

If this sounds like you, please send your application with CV and covering letter to [jobs@koch.lu](mailto:jobs@koch.lu).
